

June 2019

To Our Business Neighbors:

The Wylie East High School “Pride of the East” Band is a symbol of excellence in North Texas. From continued success in local, state and regional competitions as well as outstanding academic performance, this group of students continually achieves it all. For example, our Wylie East High School Wind Symphony has been selected by audition and invited to be the feature high school band in the 2019 Western International Band Clinic in Seattle, Washington on Saturday November 23, 2019. This is a great honor for our band students, school district, and community.

The WEHS “Pride of the East” Band is generously supported by the Wylie Independent School District; however, the Wylie East Band Boosters covers additional expenses necessary to keep our commitment of excellence. These expenses include things like providing expert clinicians and instructional programs for the students. For that reason, we ask you to consider making a tax deductible contribution to the Wylie East Band Boosters.

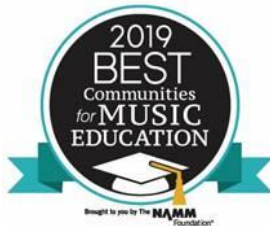

The Wylie East Band Boosters is a 501(c)3 non-profit tax-exempt organization dedicated to supporting the high standards exemplified by the WEHS Band. Our band offers many benefits to the community. It entertains at various sporting and community events. It promotes education in music, and it encourages the next generation of musicians through outreach and recruitment at the junior high level.

We have a small packet explaining our sponsorship program. It can be emailed to you or we can schedule a short meeting to go over the presentation with you. We welcome the opportunity to discuss how you can partner with the Wylie East Band Boosters.

Sincerely,

*Gregory Hayes*

Director of Bands
