Marching Band Movement Camp #2

Our first movement camp last week which involved incoming freshmen and leadership was a huge success! Our next camp is schedule for this Friday, February 21 from 5-7pm and will involve the entire band for the Fall of 2020. The movement camps are a great step as we continue improve our marching band program as we will transition into 6A in a few years. These movement camps are also required for all members that are wanting to compete for a marching spot for the upcoming show and attendance will be taken. Please bring water and athletic clothes/shoes. Students will be fed at this camp as well.

Mattress Palooza!

The 3rd annual Mattress Fundraiser has started and the big event happens Sunday February 23. We need your help spreading the word to potential customers who are looking to purchase a mattress. They've also added big bean-bag chairs that have a mattress inside that turns into a bed, weighted blankets, and a college dorm package to their lineup. Go to the band Facebook page and share the link with your family and friends. We gave all the students flyers to distribute around town. Thanks for all your help and support!

Pep Rally Friday

There will be a pep rally on Friday and all band students will be playing at the assembly. Please wear your band polo and have your flip folders ready to use.

Percussion Concert

Our Percussion Concert is scheduled for March 3rd at 7pm in the Wylie East Auditorium. This is going to be a fantastic event and our percussion students have been tirelessly working hard to make sure this one will be a memorable one. Thanks to Mr. Houpe and Mr. Schusterman for your selfless work with our percussion students!
